An Open Concert from Claudia Hirschfeld at Halsenbach

We should like to invite you to our WERSI Central Halsenbach Autumn Festival concert given by Claudia Hirschfeld, on 8 November 2008. Between 10.00 and 17.00 you can find out what's new at Wersi. There will be demonstrations of all current WERSI instruments, an exhibition of previously-owned organs and much conversation. You will be able to talk with other WERSI owners and learn more about your own instrument. To end the day we have a special event: the final concert by Claudia Hirschfeld of her German Tour, 2008. For further information and a map of the location, phone 0800 - 11 23 1000 (free within Germany). ***The WERSI-Team and Claudia Hirschfeld assure you of a warm welcome into the large WERSI family.***

Please Note! There will be special prices on new equipment, updates and software packages only during the meetings specified above. Order early to secure your selection by Christmas.

Wersi at the CONSUMENTA in Nürnberg from 25 October to 2 November, 2008.

From 25 October to 2 November, 2008, WERSI will display at the CONSUMENTA in Nürnberg. You will find us at Stand 4020 in Hall 4. We have some special prices at the Fair. Satisfy a long-held desire. Now is your chance! Just a visit is worthwhile in itself.

The great success of the Claudia Hirschfeld Tour.

In the first half of her Concert Tour, Claudia Hirschfeld has completely won over her audiences. Ensure you have a ticket for one of the concerts in the second half of the tour.

Dortmund Autumn 2008 – Second Selection

Last Sunday the Dortmund Autumn Exhibition ended. WERSI was represented with its own exhibition booth where visitors could convince themselves of the unique sound and design of WERSI instruments. The four musicians of the ABBA story "Thank You For the Music", which was mentioned several times each day in the halls, were very enthusiastic about the WERSI sound.

New OAS-7 Software with free new Sounds
